

Thank you for choosing to advertise your event on one of our Te Pou Pānui (Rotorua Events Signboard Stations). These stations are located on Fairy Springs Road, Hospital Hill, Tarawera Road, Fenton Street and Te Ngae Road. You will need to book at least two weeks prior to when you want the signs displayed.

FEES AND CHARGES

In most locations, you will see there are three event advertising spaces on each signboard station. The cost to book one of these spaces is as follows (all fees are exclusive of GST):

- Booking fee per sign/week (community) \$12.50
- Booking fee per sign/week (commercial) \$47.50
- Installation and removal per sign \$30.00
- Design Fee for RotoruaNZ to design your sign \$100

NOTE: Each event advertising space must be booked for a minimum of 2 weeks up to a maximum of 6 weeks depending on availability.

SIGN PRINTING AND DESIGN

You can design and print the sign at your discretion providing it meets the relevant specifications (see Sign design and print specification sheet). If it does not meet these specifications, your sign will not be displayed.

RotoruaNZ has negotiated a special rate with a preferred supplier Expandesign to print the event advertising signs. These signs will be printed on the correct material at the following rate:

- 5mm corflute, 1200mm x 1600mm portrait, full colour print \$82.50/sign

DETAILS AS PART OF THIS AGREEMENT:

Please note that all signs can only be booked via RotoruaNZ and must be installed by the RotoruaNZ approved sign installer. If you intend to view the locations of the event signage stations, caution is advised, as they are located very close to busy roadways.

When designing and/or printing your own signs, the correct design specifications and print materials must be used (see attached). The design needs to be approved by RotoruaNZ prior to printing and will be checked again before installation. If your sign does not meet the required specifications, it will not be installed and you will need to collect any signs from Energy Events Centre reception.

To ensure your signs are installed on the agreed date, they must be delivered to contracted installer no later than 12pm on the Thursday before the install date.

Your sign/s will be removed on a Monday and available for collection by appointment only, from Energy Events Centre Reception. Your sign must be collected no later than Friday 4pm of the week that the sign was removed. If your sign is not collected within two weeks of being removed RotoruaNZ has the right to dispose of the sign. If this falls on a Public Holiday then the next business day will apply.

If your event advertising sign has been damaged and/or has graffiti on it while it is on display please call 07 351 7151 and request the events team. We may be able to help restore or remove graffiti. This must be done by an approved contractor to ensure Health and Safety protocols are followed. However, in the event that the damage is beyond repair, your sign will be removed. You can supply a new sign and additional print (if applicable) and install fees will be charged. There will be no part/full refunds for an un-used booking space.

An invoice will be sent from RotoruaNZ following details of your booking. Payment is required to confirm your booking. Failure to make the payment by the required date may result in RotoruaNZ cancelling your booking. Your booking can not be given or hired to a third party.

RotoruaNZ has the right to decline a sign booking or remove a sign if your event has not met RotoruaNZ obligations, [Council District Plan and Signage Bylaw](#) and is not limited to the following: fees, venue hire, reserve hire, food or building compliance and health and safety.

I understand and agree to all the terms and conditions contained within this agreement and any associated documentation relating to the booking and use of the RotoruaNZ event signage stations.
